

Hello Everyone;

January weather was quite nice, but I believe we better look out in February. We have to get winter weather sometime.

The Pool and Shelter Rental Rates have been set. Passes are available at the City Building until the Pool opens in June. Does that make you feel warmer?

Don't forget the new trash pick-up schedule. All of George Street and everyone North will be on Tuesday and everyone South of George St. will be on Friday.

Council held their Re-Organizational Meeting, and by a 3-2 vote, approved Bonnie Millard as the 2017 Pro-Tem President of Council.

A reminder from the Tax Administrator, the State of Ohio has increased their penalties for all late tax filers for 2016. Please be sure to file before April 15, 2017 to avoid having to pay these penalties. The tax administrator is willing to prepare your personal 2016 Village of Arcanum Tax Form all you need to bring in to her is your W-2.

Three companies submitted bids for the Mechanical Wastewater Treatment Facility. The lowest bid was more than 10% above the Engineers estimate, so the project will be re-bid with adjustments made to the Bid Specifications. The date will be set for the end of March.

A new organization, "Speaking Out Against Heroin", is asking for your attention and support here in the Village. A spokesperson will be presenting an awareness program at the High School and will schedule a "Heroin Awareness March" this spring. They are raising funds for pamphlets to educate the public how to accomplish "Hope Over Heroin".

It is never too early to start talking about "Old Fashioned Days". We have contracted with a new Ride Company, Cromer United Amusements, based out of Eaton, OH. They have been in business for many years and want to support our festival. The festival will have Saturday and Sunday arm bands, pre-sale tickets and a special section of rides for the younger group, including reduced arm bands on Sunday for them. Planning meetings are the last Monday of the month at the City Building, 6:30 pm, and everyone is welcome to come and give your input, plus extra help is greatly appreciated.

Have you noticed signs around town for the "Neighborhood Watch" program? Check out their Facebook page, Arcanum Neighborhood Watch. They are still in need of interested volunteer residents for various parts of the Village.

That seems to be all the news for this month. Stay warm. Be Safe.
"Judy's on duty"
