

BEST WAY RECYCLING

What does Best Way accept for recycling? Best Way Disposal offers single stream recycling for the following items:

- Steel cans
- Aluminum cans
- Glass bottles (all colors)
- All paper, including
 - Newspaper
 - Office paper
 - Cardboard
 - Magazines and inserts
 - Junk mail
 - Phone books
 - Books
 - Plastic jugs and bottles

What can I not put in my recycling container? Recycling is important but there are items that are not currently practical for recycling either because they cannot be recycled or because they are considered hazardous material and need to be disposed of properly.

ITEMS THAT CANNOT BE RECYCLED:

- Boxes soiled with food, pizza boxes for example
- Any plastic that is not a bottle (e.g. plant pots, food containers or trays, medicine and pill containers)
- Polystyrene (Styrofoam)
- Sod, dirt, concrete, asphalt
- Shingles and other construction debris
- Household Hazardous Waste (fluorescents bulbs, motor oil, pesticides, chemicals, paint) cannot be recycled with other household materials
- Electronic waste, while e-waste is often recyclable, it cannot be recycled with other household materials
