Only residential, commercial, and/or industrial properties consistent with the applicable zoning regulations within the designated Arcanum Community Reinvestment Area Number One will be eligible for exemptions under this Program.

Section 3: All properties identified in Exhibit A, as being within the designated Arcanum

Community Reinvestment Area Number One are eligible for this incentive. This proposal is a public/private partnership intended to promote and expand conforming uses in the designated area. As part of the project, the Village of Arcanum intends to undertake supporting public improvements in the **designated** area.

Section 4: Within the Community Reinvestment Area Number One, the percentage of the tax exemption on the increase in the assessed valuation resulting from improvements to commercial and industrial real property and the term of those exemptions shall be negotiated on a case-by-case basis in advance of construction or remodeling occurring according to the rules outlined in ORC Section 3735.67. The results of the negotiation as approved by this Council will be set in writing in a Community Reinvestment Area Agreement as outlined in ORC Section 3735.671. For residential property, a tax exemption on the increase in the assessed valuation resulting from improvements as described in ORC 3735.67 shall be granted upon proper application by the property owner and certification thereof by the designated Housing Officer for the following periods.

- (a) Five (5) years, for the remodeling of every residential dwelling unit containing not more than two housing units and upon which the cost of remodeling is at least \$2,500, as described on ORC Section 3735.67, and with such exemption being 100 percent (100%) for each of the five (5) years.
- (b) Five (5) years, for the remodeling of every residential dwelling unit containing more than two (2) housing units and upon which the cost of remodeling is at least \$5,000, as described on ORC Section 3735.67, and with such exemption being 100 percent (100%) for each of the five (5) years.

- (d) Up to, and including, twelve (12) years, and up to, and including 100 percent (100%) for the remodeling of existing commercial and industrial facilities and upon which the cost of remodeling is at least \$5,000, as described in ORC Section 3735.67, the term and percentage of which shall be negotiated on a case-by-case basis in advance of remodeling occurring.
- (e) Up to and including, fifteen (15) years, and up to, and including, 100 percent (100%) for the construction of new commercial or industrial facilities, the term and percentage of which shall be negotiated on a case-by-case basis in advance of construction occurring.

For the purpose of the above described Community Reinvestment Area, structures exclusively used for residential purposes and composed of two (2) and fewer units shall be classified as residential structures.

If remodeling qualifies for an exemption, during the period of the exemption, the exempt percentage of the dollar amount of the increase in market value of the structure shall be exempt from real property taxation. If new construction qualifies for an exemption, during the period of the exemption the exempted percentage of the structure shall not be considered to be an improvement on the land on which it is located for the purpose of real property taxation.

Section 5: All commercial and/or industrial projects are required to comply with the state application fee requirements of ORC Section 3735.672 (C) and the local annual monitoring fee of one percent (1%) of the amount of taxes exempted under the agreement — a minimum of \$500 up to a maximum of \$2500 annually unless waived.

An unexpired term resulting from a vacancy in the Council shall be filled in the same manner as the initial appointment was made. The Community Reinvestment Area Council shall make an annual inspection of the properties within the district for which an exemption has been granted under Section 3735.67 of the ORC. The Council shall also hear appeals under Section 3735.70 of the ORC.

The Tax Incentive Review Council shall also be established pursuant to ORC Section 5709.85 and shall consist of three representatives appointed by the Board of County Commissioners, two representatives of the municipal corporation, appointed by the Municipal CEO with Council concurrence, the county auditor or designee and a representative of each affected Board of Education. At least two members must be residents of the Village of Arcanum. The Tax Review Council shall review annually the compliance of all agreements involving the granting of exemptions for commercial or industrial real property improvements under Section 3735.671 of the ORC and make written recommendations to the Council as to continuing, modifying or terminating said agreement based upon the performance of the agreement.

Section 8: The Council reserves the right to re-evaluate the designation of the Arcanum Community Reinvestment Area Number One on or before December 31 of every year, at which time the Council may direct the Housing Officer not to accept any new applications for exemptions as described in Section 3735.67 of the ORC.
