WHAT CONSTITUTES NET PROFITS:

- (A) On the portion attributable to the Village of Arcanum of the net profits earned by all resident unincorporated businesses, pass-through entities, professions or other activities, derived from work done or services performed or rendered, and business or other activities conducted in the Village of Arcanum. On the portion of the distributive share of the net profits earned by a resident owner of a resident unincorporated business entity or pass-through entity not attributable to the Village of Arcanum and not levied against such unincorporated business entity or pass-through entity.
- (B) On the portion attributable to the Village of Arcanum on the net profits by all nonresident unincorporated businesses, pass-through entities, professions or other activities, derived from work done or services performed or rendered and business other activities conducted in the Village of Arcanum, whether or not such unincorporated business entity has an office or place of business in the Village of Arcanum. On the portion of the distributive share of the net profits earned by resident owner of a nonresident unincorporated business entity or pass-through entity not attributable to the Village of Arcanum not levied against such unincorporated business entity or pass-through entity.
- (C) On the portion attributable to the Village of Arcanum of the net profits earned by all corporations that are not pass-through entities from work done or services performed or rendered and business or other activities conducted in the Village of Arcanum, whether or not such corporations have an office or place of business in the Village of Arcanum.

LOSSES:

Net losses incurred in any taxable activity must be reported and are deductible, in the year incurred, to the extent of the net profits from any source included in the return. Net operating losses may be carried forward for three (3) years but may not be offset against wages, salaries, tips, and lottery/gambling winnings.

BUSINESS APPORTIONMENT FORMULA:

The business apportionment formula is to be used by nonresident unincorporated businesses, partnerships, professions, or other entities and corporations doing business within and outside of Arcanum if actual records of their Arcanum business are not maintained. Determine the ratio of the Arcanum portion of:

- (1) Original cost of real and tangible property owned, rented or leased by the taxpayer for use in the trade or business. To determine the value of property rented and used in the business, multiply the gross annual rental by 8.
- (2) Total wages, salaries, commission and other compensation paid to all employees.
- (3) Gross receipts from sales and work/services performed.
- (4) Total percentages obtained in steps 1, 2, and 3. Divide total of percentages by the number of percentages used to obtain business apportionment percentage. A ratio shall not be excluded from the computation because it is allocable entirely within or outside the Village of Arcanum. The business apportionment is to be applied against the total net profits adjusted in accordance with the provisions of the Village of Arcanum Tax Ordinance to determine the portion taxable by the Village of Arcanum.

INSTRUCTIONS FOR REVERSE SIDE OF VILLAGE TAX RETURN

SCHEDULE C. PROFIT (OR LOSS) FROM BUSINESS OR PROFESSION

If you operate under the same or different trade names at more than one location, and separate books are kept for each location, a separate copy of the Schedule C should be attached for each location, in which case the amount entered in Line 5 represents the total net profit or loss from all locations. Do not include in this schedule the cost of goods withdrawn for personal use or deductions not connected with the business or profession. Use Statement for cost of goods sold or cost of operations, when applicable. **NOTE: Business losses are not deductible from W-2 income.**

SCHEDULE E. INCOME FROM RENTS

This schedule corresponds to the rent schedule of Federal Form 1040. If space is inadequate, attach a separate sheet giving additional detail or use statement for depreciation and other required schedules. **NOTE: Rental losses are not deductible from W-2 income.**

SCHEDULE H. INCOME FROM OTHER SOURCES

Report in this schedule any other income you may have which is subject to Arcanum tax. For example, an Arcanum resident may be a member of a partnership not located or doing business in Arcanum. Such a partnership, as a business entity, is not required to file returns and pay the tax. This Arcanum resident, nevertheless, is subject to

tax on the income he enjoys from that partnership and must report the income in Schedule H. List fees that are not included as part of the net profits of a trade, business or profession; income from estates, trust, fees, prizes and partnership income on which the tax has not been paid by the partnership entity. **NOTE: Losses are not deductible from W-2 income.**

SCHEDULE X. RECONCILIATION WITH FEDERAL INCOME TAX RETURN

This schedule is to be used to adjust the Federal net income to the Village of Arcanum taxable income. The total of the items listed to the left hand column (A through I as shown on line M) are to be added to the Federal net income. The total of the items listed in the right hand column (N through U as shown on line Z) are to be deducted from the federal net income.

SCHEDULE Y. BUSINESS APPORTIONMENT FORMULA
