It's beginning to look a lot like Christmas! Before I get into all the exciting things going on this month, I would first and foremost like to thank the entire Arcanum community for their support of our recent Fire Levy's passage. We appreciate you having the backs of those that protect ours.

**Arcanum Preservation Society.** The APS would like to wish you Happy Holidays! Please follow them on Facebook @arcanumpreservationsociety as they establish their non-profit status and start the process of restoring the historic Arcanum Opera House. See the calendar for the next meeting date.

**Arcanum Horse Parade.** One of our most loved events is right around the corner! Please see reverse side for details of this annual event – flyers are also posted around town.

**Invoice Cloud.** Invoice Cloud is up and running! Any customers that are interested will be able to view, pay (service fees apply), receive reminders, set up autopay, view past bills, etc. Go to our webpage at [www.villageofarcantum.com](http://www.villageofarcantum.com) under *Utilities/Pay Online* or call 844-321-9521. Even if you are not interested in paying through Invoice Cloud, customers are still able to register their account, see previous bills, and set up reminders.

**Employee Spotlight.** The Village of Arcanum would like to spotlight our Utility Clerk, Angie Lear. Angie has been employed with the village for over three years. She loves spending time with her family and her 2 Rottweilers. She has one grandson with another on the way. Angie is active in her church and enjoys walking and baking. Thank you, Angie!

**Arcanum Wayne Trail Historical Society – Save the Date.** On January 9, 2020 there will be a Pizza Dinner at 6:30pm for member appreciation, new members and volunteers as well as election of officers. Food provided by AWTHS. Become a member or renew your membership and help better our community and protect and promote our local history! As a reminder, the AWTHS is open the first Saturday of the month from 9am-noon. Includes Reference and Research Library. Book your club, group or organization for a house tour.

**Facebook/YouTube Business Spotlight.** I hope you enjoyed meeting Rob from Orme Hardware. Stay tuned for this month's guest.....hint: They are Proud AMERICANS.

Check out important dates on the back and have a great holiday season!
