Winter has been a challenge so far, but with spring right around the corner it is time to start thinking about Old Fashioned Days. Our annual hometown event is less than 3 months away. If you are interested in volunteering for Old Fashioned Days, please contact Business Association President Jason Blackburn at (937) 621-2166 or email: [thepromoterllc@gmail.com](mailto:thepromoterllc@gmail.com). I also want to again encourage you to attend council and committee meetings – we value everyone’s input and know that when we all work together and collaborate great things can be achieved!

**Utility – Water Shut offs.** As a reminder, please make sure you have a main water shut off for your residence or business and that you exercise this valve annually.

**Arcanum Garden Club.** Save the Date: March 15<sup>th</sup>, 2019 – Poppy Purse Bingo. The ladies of the Arcanum Garden Club are once again hosting an evening of fun and the chance to win designer purses. Grand prize is a Coach bag valued at \$350. The event will be held at the Arcanum Wayne Trail Historical Society, 123 W. George St. in downtown Arcanum at 7pm (doors open at 6pm). Tickets are on sale now at the Rose Post or from garden club members. All proceeds go toward village beautification.

**Employee Spotlight.** Utility Superintendent Keir Smith has been employed by the village for over 30 years! He lives outside of Arcanum with his wife Diane and two sons: Zach and Isaac, both high school students at Arcanum. Outside of work, Keir enjoys spending time on his farm and time with his family. He is our longest tenured employee and I thank him for his continued service.

**Personnel changes.** Council voted to appoint Toni Stanley as our new Fiscal Officer. Toni has over 25 years in finance between Dayton Children’s Hospital and Premier Health. She lives outside of Brookville with Kevin, her husband of 32 years. They have 4 adult sons and 5 grandchildren. We welcome Toni to our team and look forward to all she has to offer!

Since taking my mayoral oath of office, I’ve been approached by numerous citizens on ways to improve our great town. I’m grateful for those who have reached out! I would also like to acknowledge the 3<sup>rd</sup> graders at Arcanum Elementary, specifically Ross Wagner: your repeated requests for a McDonalds in Arcanum have been duly noted and taken under advisement!! 😊
