Rain, rain go away – let us enjoy some sunny days! I think I speak for most when I say that I sincerely hope we have some dry weather in our future. I would like to thank the many residents who have been attending council meetings and collaborating with us to ensure a bright future for Arcanum – it is always encouraging to have community input and I hope it continues!

Sidewalk and Tree Ordinance Violations. In our ongoing effort to keep Arcanum beautiful, residents living on North Main Street, East George Street, East South Street and Pearl Street may soon receive a letter regarding necessary sidewalk repairs and/or tree removal on their property. Our Service and Leisure committee conducted inspections of these locations recently to determine who is in violation of our ordinances. These letters will describe what actions need to occur and will include contact information. We thank you in advance for your cooperation.

Employee Spotlight. Sergeant Tim Zellers has been a Village of Arcanum employee for the past eight years. Tim started his career with us as a part-time patrol officer and has since been promoted to Sergeant. Currently, he is serving as our interim police chief. Tim lives outside West Milton with his wife Carrie and two daughters: Cindy and Christine. Outside of patrolling our streets, he enjoys horseback riding, traveling, and spending time with his family. I thank Tim for his dedication and service in keeping our community safe!

Call before you dig. As a reminder, when outside work is being performed at your properties that involves digging, please contact the Ohio Utilities Protection Service (OUPS) at 811 prior to removing earth. This is a free service that not only protects you as homeowners but also our critical utility infrastructure.

Location of Meeting Notices and Minutes. The dates and times for our village council's scheduled committee meetings are located at our current village office location of 1 Pop Rite Drive, Arcanum, Ohio. The information is posted just inside the main entrance. The location of our council meeting minutes can be found on our website @ <https://villageofarcanum.com/village-information/meeting-minutes/>.

Save the Date – Groundbreaking for our New Village Administration/Police Building. The groundbreaking for our new project will be conducted on July 16th at 1:30 p.m. The ceremony will be held at the site of our new building behind the VFW off Albright Street. We encourage our residents to attend the historic event!
