

VILLAGE OF ARCANUM

Village Administration: (937) 692-8500

Website: villageofarcantum.com

It's hard to believe that summer is winding down and school is just around the corner! Even though we're now in August, there's still plenty of time to enjoy all that Arcanum has to offer this season: an ice cream cone at Picnic's, swimming in the community pool, a bike ride through the park – the possibilities are endless!

Village Pool. Speaking of great ways to beat the heat, why not treat yourself with a day at our Village Pool before summer is gone. Starting August 1st the pool will be open from 1pm – 6pm and the last day will be August 15th and it will be open from 12 – 4pm that day. Daily admission is \$3 and Wednesdays is \$2. Snacks are available for purchase, but the sunshine and fun are free!

Employee Spotlight. Street Laborer Mark Poston has been a Village of Arcanum employee for the past six years. Mark's favorite part of each day is interacting with the residents and never knowing what the job is going to be. He lives in New Madison with his wife Pam and three children: a daughter Kaydance and sons Camden and Tanner. Outside of keeping our streets and village pool in good repair, Mark enjoys hunting, fishing, boating and hanging out with his family. I thank Mark for his service and look forward to his bright future with the village of Arcanum!

Old Village Building Committee. Arcanum resident Dave Kessler is in the initial stages of forming a committee to determine the future of the old village building. This will be a dynamic process and we have already contacted representatives from different levels of government and private entities. Everyone is invited to their next meeting on August 12th at 7p.m. at the old village building. If you are interested in joining the committee, please contact Dave Kessler at (937) 313-3423 or by email: dave@kesslerhines.com

Save the Date - Ribbon Cutting for our New Wastewater Treatment Plant. The ribbon cutting for our new project will be held on August 6th at 1:30 p.m. The ceremony will take place at the site of our new facility off Albright Street. Light refreshments and tours of the plant will be provided. We encourage our residents to attend.

Groundbreaking for our New Village Administration/Police Building. A groundbreaking ceremony for the new building was conducted on July 16th at 1:30 p.m. I would like to send a big thank you to those residents who attended this historic event.

Thanks again for your continued support and enjoy the last big event of the season: The Great Darke County Fair!

Gregory T. Baumle, Mayor
