Happy New Year to all! 2020 is rolling in with a lot of changes! We are working hard on many projects that will improve our village and make us all proud to call Arcanum home. Stay tuned while we continue to make progress! While our street department is busy clearing snow off our streets, make sure to help our fire department by keeping fire hydrants clear of snow as well.

Arcanum Preservation Society. Please follow them on Facebook @arcanumpreservationsociety as they establish their non-profit status and start the process of restoring the historic Arcanum Opera House. See the calendar for the next meeting date.

Trash Pick Up. Weekly pick up for the entire village will be on Thursday. However, the first pick up will be on Friday January 3rd. Rumpke observes New Year's Day as a holiday. Employee Spotlight. The Village of Arcanum would like to spotlight one of our utility lineman, Gary Besecker. Gary has been employed with the village for over 10 years. He loves spending time with his family. He is married to his wife Brenda and has 2 daughters and 2 sons. Gary's favorite part of his job is the electrical side and helping customers each day. Thank you for your dedicated service in keeping our lights on Gary!
