A Message from the Mayor's Office

Is it safe to say Spring has arrived with this crazy weather? I'm sure all of you are ready for the warm weather to stay!

Just a friendly reminder to keep lawns mowed in a timely manner. Signs will be posted in the yards that need attention. Let's work together to help maintain our beautiful Village. The Service & Leisure Committee has been busy addressing sidewalks that need attention. You may be receiving notice that yours is in need of repair. This is for everyone's safety in order to have a level walking surface. Street repairs will be taking place in the coming months, particularly on West First, West Second and N Main at Summerfield. Have a wonderful May! Be safe and enjoy all that is to come with ball games, prom, graduation, etc.

~Mayor Bonnie Millard
