

# VILLAGE OF ARCANUM

## A Message from the Mayor's Office

The Villages' big announcement happened just after my last newsletter had been sent out, HOWEVER as most of you already know, Arcanum IGA is OFFICIAL!! The grocery store tentatively plans on opening in the May-June timeframe. This is very exciting news for our Village and a long time coming.

I am sad to report that the Villages' Fiscal Officer Toni Stanley, has accepted a great opportunity and a career advancement with Wright Patterson Air Force Base. She has been a tremendous asset to the Village and will be sorely missed. The Village is currently interviewing potential candidates and hopefully we can make an announcement on her replacement in the very near future. Greg Baker with the Street Department will be leaving us full-time since taking an EMS position in Richmond. Greg contributed greatly to our community parks and pool and you will still see him from time to time as he has decided to become part-time with the Village. We wish both Toni and Greg the very best in their new endeavors. This month the Village will also be introducing all of you to two new employees that have recently joined the Water/Wastewater Department on the back of this newsletter.

I do have a fun announcement for all the kiddo's! The circus is coming to town!! The Arcanum Area Business Association will be hosting the Culpepper & Merriweather Circus, so don't forget to mark your calendars for the event on May 3rd. More information on times and ticket purchases will follow shortly by the Arcanum Area Business Association.

Remember to set your clocks forward one hour with daylight savings time beginning March 12th and to **deck yourselves out in green for St Patrick's Day March 17th.**

Finally, spring will be upon us March 20th and like the old idiom goes, "March comes in like a lion and out like a lamb" is yet to be seen. I'm hoping it comes in as a lamb and goes out as a lamb to be very honest with you. That would definitely give us the best March ever.

Happy spring and enjoy the weather everyone!
