- Limb removal services are for fallen limbs due to inclement weather conditions only.  
Place limbs curbside, not in street. When placed in street they become a traffic hazard.
- If removal is prevented or interrupted on Thursdays, then pickup will occur on Fridays or as soon as possible thereafter.
- Unscheduled limb pickups due to weather conditions are evaluated and carried out at the discretion of the Utility Superintendent.
- In the event the pile exceeds 4 feet in height, width or length, please call the Administration Office to make arrangements for pickup so as to not interrupt the regularly scheduled collection times.
