Please complete the following information and select the swim session your child would like to attend. By completing the skills checklist, our staff will be able to determine which class level your child will benefit from. Throughout the session, your child's skills will be evaluated and your child may progress to another class level of instruction when skills have been mastered. Learning how to float is a required skill before advancing to the swim instruction class.

Parents of young children are welcome and encouraged to accompany child during swim class. Participating child must be 4 years of age and potty trained.
